

LET THE BIBLE ANSWER

1. This lesson is completely in Scripture. Following each quotation, the Bible reference will be given in order that you may know where it is found.

2. Eleven questions will be asked and each one will be answered only by the Bible.

3. It is hoped that this study will prove both interesting and profitable. Often when some Biblical teaching is emphasized, someone will reply, "Oh that's just your interpretation" of the Bible.

4. Inasmuch as some do make the word of God void by their tradition (Mk.7:13), and twist the scripture to their own destruction (2 Pet.3:16), and even are handling the word of God deceitfully (2 Cor.4:2).

5. May I present this lesson of scripture with nobody's interpretation--proving that one can let the Bible answer for itself.

6. May I suggest that you study the lesson and observe very carefully how these scriptures clearly answer the questions that are proposed.
